

Immunization Requirements

IS YOUR CHILD READY FOR 12TH GRADE?

DID YOU KNOW...

...the Pennsylvania Department of Health requires all children entering 12th grade submit the required proof of vaccinations prior to school attendance or they will not be able to attend school? It's the law.

Follow these steps to make sure your child is ready for school.

SCHEDULE

bring your child a well visit to ensure they receive the required 12th grade vaccinations:

- Meningococcal Conjugate (MCV4)—1 dose

OBTAIN

a medical certificate signed by your child's doctor, detailing the plan to complete vaccines **if the next dose is not medically appropriate.**

You can get the form at philasd.org/VAX.

SUBMIT

documentation **if your child is exempt from any immunization(s)** for a medical, religious or philosophical/strong moral reason. If your child is exempt he or she may be removed from school during an outbreak.

You can get the form at philasd.org/VAX.

Call your child's doctor or a city health center today!

To schedule an appointment at a health center call (215) 685-2933.
